The Sanctuary Church

An Apostolic-Prophetic people worshipping Jesus

Good Morning and Welcome! The Lord is doing great things around the world today as He prepares His Church to minister and reach out supernaturally. As His Church becomes apostolic and prophetic in reaching out to the lost we will walk in power and see the hand of the Lord minister in miracles, signs and wonders daily.

This morning Tom's message will be "Being an Influence - Salt and Light Part 2" There is blank paper on the back tale for you to use to record notes if you forgot your notebook.

Please join us for our fellowship time. Share a cup of coffee or a glass of juice and some fruit, crackers and cheese.

This time of fellowship is a great way to get to know each other and encourage

each other by sharing what Jesus has been doing in your life. Please, let's try to make Jesus the focus of this fellowship time!

Congratulations to Mr. and Mrs. Lance and Tammy Storz on their recent wedding.

The ladies of the church will have a shower for Tammy September 18 at 3:00 pm. at Naomi Howie's home. Please note the time change.

Dear Friends,
Now there is a precious word that we don't stop often enough to think about—friends.

Who are your friends?

I hope that all of us have some friends in our neighbourhoods.

Maybe you still have old school friends that you keep in touch with.

When I used the word friends in the salutation of this letter to you I didn't use it lightly. The church is not just a club it is a family and a circle of people who have become friends.

We have become friends because we first became friends with God. This is what Jesus said in John chapter 15:

15 No longer do I call you servants, for the servant does not know what his master is doing; but I have called you friends, for all that I have heard from my Father I have made known to you.

Just as our friendship with Jesus has grown so have our friendships with each other. I am proud to have you as my dearest friends. You have been a blessing to me and I look forward to another year of serving God together as friends loving and helping each other.

Let us be intentional in our efforts to grow in fellowship and in extending our friendship to newcomers and guests.

Let us spend quality time with our best friend, Jesus. Write time with Jesus and your friends into your schedule this fall. Let us be an example of God's love to those we know and those we meet. ~Louise

Evangelism Secret #2

I am an introvert. Those who see me minister don't believe this about me but it is true. I have simply, over the years, learned how to be extroverted when ministering and wherever necessary. But, my basic personality is an extreme introvert. I prize quiet time alone where I can read and write, journal and pray and thus recharge my personal internal batteries.

Therefore, when I am out and about doing daily life I work hard at coming out of my introvertedness to be open and friendly with people I come into contact with. I do more than look for openings - I make them. I start conversations with almost every person I am able to. I find ways to start a conversation and keep that conversation interesting and moving forward. Often I have opportunity to speak about Jesus with these people. Maybe it does not happen the first time but if you use the same gas station, the same bank, the same grocery store, the same path to walk your dog you find yourself running in to the same people over and over again. So, you can build on what you have learned or said the times before.

As an introvert I have learned some simple "tricks" to get things started. One of them that comes naturally is found in the acrostic of the word "**form**"... I simply remember the word "**form**" and ask questions centered around this word... (This idea was picked up from a book by Ron Puryear)

- F - Family** - everyone has one and most people are thrilled to have someone ask about their family.
- O - Occupation** - even retired people do something in their life - and as a job (volunteer or paid) takes up a substantial part of every person's life this is a good place to go in the conversation.
- R - Recreation** - almost everyone does something for exercise and to unwind.
- M - Message** - Everyone has something on their heart to share.

As an introvert I often simply remember "**form**" and move forward initiating a conversation with one or more of these four topics. These allow me to get them talking about their favorite subject - themselves. And, it allows me to find or make openings to talk about my favourite subject - Jesus!
