Better Marriage Tip with Mark Gungor

If you want your husband to do things for you, you have to ask him - AND, you have to ask him more than once. Asking a man to do something *once* is like never having asked him to do anything at all. My wife has no problem asking me to do something more than one time. I have spoken to many women about whether they ask their husbands to do something more than once and their answer is always the same — "I shouldn't have to!?" But, ladies, let me give you some critical advice: *If you want to get your husbands to do things for you* — despite what you think, **YOU HAVE TO ASK!!** You *have to* ask him to do things more than once. To sit and stew and get angrier and angrier over the fact that you asked your husband to do something *one time*, and he didn't do what you asked, is a testament that you have *not* heard this advice. You need to ask him *again*. But remember asking more than once is not nagging. Nagging kicks in when you add an attitude to your requests. "

Please continue praying for Iliya

Also, a man named Raymond has been having a lot of difficulty with bleeding on the brain due to a recent stroke. Please prayer for him and his wife Georgina as the doctors continue to do tests. Please pray that this situation will lead them both to seek after God and receive healing and salvation.

Please pray for Linda who has some brain damage after a serious accident. She wants God's healing. Please ask God to draw her to Jesus. For salvation

The Sanctuary Church

An Apostolic-Prophetic people worshipping Jesus

Good Morning and Welcome! **Happy Valentines Day!** The Lord is doing great things around the world today as He prepares His Church to minister and reach out supernaturally. As His Church becomes apostolic and prophetic in reaching out to the lost we will walk in power and see the hand of the Lord minister in miracles, signs and wonders daily.

We hope that you are excited to be joining with others who love Jesus in worshipping the Lord. Welcome to this celebration of God's goodness and grace. We hope that you will hear the Holy Spirit speaking to you this morning.

This morning Ralph will be teaching. Please prepare your hearts for the worship and teaching.

Please join us after some worship for a cup of coffee and some fruit, crackers and cheese. This time of fellowship is a great way to get to know newcomers as well as share what Jesus has been doing in your life.

Happy St. Valentines Day.

St. Valentine was a Christian priest who lived during the 200's A.D. Archeological evidence shows that he was a real man.

One source I read said that he got into trouble for marrying Christians and helping Christians who were being persecuted by the Romans. When he was caught by the Romans he refused to deny his faith in Jesus and was executed when he tried to convert the governor. He was convicted for showing love to others and killed for loving Jesus. This martyr has been thought of as a symbol of unwavering love and devotion.

Most of us think of St. Valentine's Day as a day to express our affection for our nearest and dearest.

It is appropriate that this year St. Valentines Day falls on a Sunday. Who deserves our expressions of love and appreciation most? **God of course!!** Let us make up our minds to express our love to God with truly thankful hearts which is what He wants more that chocolates and flowers!!!

Take time this morning to think of all the things that God has done for you and give him thanks and praise. Show your Love for God to others by **sharing your story of God's goodness to you.**

Monday at Kidz Klub we went snowshoeing and had hot chocolate. Afterward we talked about who Saint Valentine was, played games and shared goodies.

This coming Monday night we will not be having Kidz Klub as it is Family Day.

February 22nd we plan to go tobogganing. We will be asking that parents drop the kids off on

Cunningham Dr. behind the North West Leisure Centre on Rochdale Blvd. We hope to have hot chocolate

and a snack for the children there.

This is subject to change due to weather conditions.

We are hoping to provide the hot chocolate and snacks not only for the Kidz but for

anyone else who is on the hill as well. If anyone has a large thermos or two for the cocoa that we could borrow please let Elizabeth know. Also, if you are able to help provide some nut free goodies we would really appreciate it.

If you have any questions please call Elizabeth at 536-9741.
