

RALPH'S NEXT MISSION TRIP

Ralph will be returning to the nation of Ukraine from May 18 to June 2. Bob MacDonald from Saskatoon will be with him on this

trip. Some of Ralph's team of young apostles and prophets will join him for hands-on practice and training in each location.

In the first city Ralph and his team will be teaching the Walk In the Supernatural Seminar. By the time he arrives in Ukraine it is hoped that the new manual (minus a few recent changes and additions) will be available in Russian as it is currently being translated in its entirety. Three members of the team will be teaching during these three days - Bob, Miroslav and Ralph. Miroslav is Ralph's administrator for Eastern Europe and an apostle by calling.

They will head to their second location by overnight train and during the second week they will be teaching the first ever (for them anyways) School of Apostles and Prophets. This is a new venture for Ralph Howe Ministries and much planning and preparation has gone into it. Ralph hopes to have 50 students from 5 nations for the five days of teachings (3 major sessions a day). This will allow these young men and women to move forward in major ways in their understanding of their gifts and callings as apostles and prophets in training. To follow up a second week is planned for this winter. This school will eventually have three levels with two weeks of concentrated and focused study for each level. Ralph and the team will be ministering in several local churches on the two Sundays they are in Ukraine (4 services). They will meet with many pastors and leaders in special meetings. They will also be meeting with leaders from other nations to plan future trips to their areas.

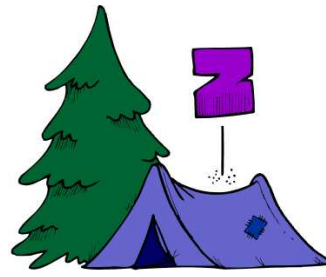

God has opened some major doors for Ralph and the team in Eastern Europe. There is, of course, some opposition to their message and the prophetic ministry that always accompanies apostles and prophets. However, what God has begun He will bring to completion and His will is always done on Earth as it is in Heaven. We simply trust Him to continue to open doors in spite of the plans of man.

If you would like to donate to this trip specifically you can do so by going on-line to www.ralphhoweministries.com using the paypal system or by marking your tithe envelope on Sunday, Ukraine trip May 2010.

Please continue to pray for all that God is doing through Ralph Howe Ministries here and overseas.

SUMMER CAMP

The Anchor Camps are run by some dear friends within the Life Builders Network, Dennis and Brenda Boyce. The camp is located at Buffalo Pound and offers something for everyone. There is a family camp July 9th to 11th. There is a girls camp July 12th to 16th and a boys camp July 25th to 30th. The cost of the children's camp is \$25.00 per child (\$20.00 if registered before June 20th). Both the girls camp and the boys camps are for ages 8 -12 years as a general guideline. If you have any questions regarding ages please talk to Elizabeth.

We are hoping to have the kids from Kidz Klub attend. **The camp is quite affordable but there is an opportunity for those who can to donate for those who are still unable to afford to attend without some assistance. If you would like to donate to the camp please make your cheques payable to 'Invitation Ministries'.**

Darryl and Elizabeth will be going to Moose Jaw for a fundraiser for the camp at the end of May. Please try to have all the camp registrations and money ready by then. Elizabeth will be handing in the money on that day. Thanks!

The Sanctuary Church

An Apostolic-Prophetic people worshipping Jesus

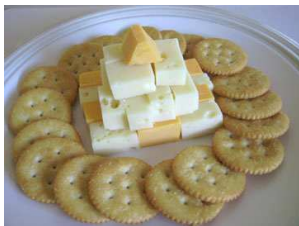

Good Morning and Welcome! The Lord is doing great things around the world today as He prepares His Church to minister and reach out supernaturally. As His Church becomes apostolic and prophetic in reaching out to the lost we will walk in power and see the hand of the Lord minister in miracles, signs and wonders daily.

This morning we welcome Louise as she shares what God has put on her heart for Mother's Day. Her message is entitled, "A Time for Reconciliation."

There is paper on the back table available to you to take notes during the teaching. Please help yourself.

Please join us for our fellowship time. Share a cup of coffee or a glass of juice and some fruit, crackers and cheese.

This time of fellowship is a great way to get to know newcomers as well as share what Jesus has been doing in your life. Please, let's try to make Jesus the focus of this time!

Dear Friends,

Like Timothy in the Bible I had Christian Grandmothers and a Christian mother. I really appreciate all that they taught me and all that they did for me. Their love made my life happy and secure. I know that they prayed for me. I had several brushes with death as a teenager but God answered their prayers and saved my life.

As a mother of six and a grandmother of eleven I know from personal experience that parenting has its ups and downs.

It is wonderful to remember the highlights of childhood when the kids learned to swim or skate or ride a bike. When their rooms were tidy and when we had popcorn and watched movies together. I loved to take them to play in the park or to walk with them to the neighbourhood gas station for a treat.

However, it was often in the down times when the kids were sick or being rushed to the hospital for stitches that I really knew that we weren't in this alone. God was there answering my pleas for help and healing on those many nights spent in a steamy bathroom patting the back of a croupy child. God was there with us many days and nights that we spent in doctors' offices and hospitals praying for our children's recovery. God was there when the kids got into trouble and He helped to calm the troubled waters.

I think that the experience of loving my own children through thick and thin, in the good times and the hard times, when they behaved well and when they didn't, gave me a small glimpse of how very much God loves us all. There is nothing that could make me stop loving my children because my love comes from God, it is His gift to me as are my children. There is nothing that can make God stop loving His children. We all make mistakes but God still loves those who love and trust Him.

Today let us make time to patch up quarrels and be reconciled to our mothers and to God, both are waiting for us to call. ~Louise
